Shnuggle Bath

What does it do?

The design of the bath means that it can be used anywhere in the home, so no more leaning over the bath! Suitable from Newborn, the clever bum bump helps to support even the tiniest of babies right up to 12 months.

How can it be used?

It can be used on any surface - the maximum water level allows for just 2 litres of water so it does not need much water. The foam backrest makes it warm to touch on babies back.

What 3 facts make it an essential for parents?

- ♥ Practical as it can be used anywhere around the home
- ♥ Value for money - can be used from birth for the first 12 months
- ♥ Compact - Easy to use and store

Top Tip

Perfect for mums who have a C Section as baby can be bathed anywhere making it more comfortable.

Pebbly

What does it do?

The pebbly bath thermometer is pre-set with the perfect water temperature for baby and uses a heart light to tell you when the temperature is just right. The Pebbly also can be used to measure the nursery temperature. Once out of water it measures the perfect nursery air temperature.

How can it be used?

Once taken out of the packaging, press on the base of the heart to wake the Pebbly up.
(This only needs to be done once not every time you use it)

Just pop the Pebbly into the bath water. If the water temperature is just right the heart will glow white, too hot and a red light will appear, too cold and a blue light will appear. The same happens for the room temperature, just right the heart will glow white, too hot a red light will appear, too cold a blue light will glow.

What 3 facts make it an essential for parents?

- ♥ Easy to read the heart - even through bubbly water
- ♥ Fast and accurate temperature reading
- ♥ Auto on/off for long battery life

Dreami

What does it do?

Dreami® is a multi award winning, baby sleep system, designed to keep baby close but safe in their own cosy sleeping space. A modern alternative to traditional Moses Baskets. The basket is made out of plastic with holes in the base for breathability. A 3D breathable lining, cosy quilt mattress and curve stand are all included.

How can it be used?

It can be used as a bedside crib for night time and is easily moved around the home during the day - so no need to buy more than one bed for baby. It is quiet, lightweight, easy to clean and breathable. It is hypo-allergenic too!

What 3 facts make it an essential for parents?

- ♥ Stationary bed height and low level rocking options
- ♥ Easy to clean and use
- ♥ A modern Moses basket that will fit baby up to 6 months as it is larger than standard Moses baskets.

Top Tip

Although the Moses basket is larger than traditional styles, a standard Moses basket fitted sheet can be used.

The lining can be removed and washed, replacements can also be bought separately from Shnuggle.
